Tennant T20

Achieve high-performance results in the toughest environments with the T20 Industrial Ride-On Floor Scrubber. The T20 delivers significant cleaning power with an exceptional scrubbing and water recovery system. This rider scrubber is easy to operate and maintain and helps improve a facility's image by providing consistent, heavy-duty cleaning results.

Standard Accessories:

- Get consistent cleaning results with aggressive scrubbing and MaxPro²™ hydraulic technology exclusive to Tennant.
- Maximize productivity and clean up to three times longer than conventional scrubbing with ec-H2O™ technology
- The T20's Touch-n-Go™ control panel simplifies operation with a 1-Step™ start button that remembers previously input settings.
- Improve visibility with cab-forward design, open sightlines, and steering-wheel-mounted controls.
